

# Luton & District Poultry Club

## *Evening Egg Show and Talk on Egg showing with Rachel Seymour*

Thursday February 2<sup>nd</sup> 2012 at 8.00pm

*We are delighted to announce that Rachel Seymour, a top egg exhibitor, will be giving a talk to Luton & District Poultry Club members on the finer points of eggs and egg showing with an opportunity to ask Rachel questions.*

*This is a fantastic opportunity, for both experienced and novice exhibitors of eggs, to learn more on what the judges are looking for in the perfect egg and how to exhibit a winner!*

*To add to the excitement, we are having our own little egg show. Members can exhibit eggs laid by their own birds or shop bought ones (if your birds are not laying).*

**Classes-**
